Re: Meeting to discuss renewed sugar supply contract

Dear Mr Gustavsson,

Further to our correspondence this spring, we should be glad to welcome you to Roma Bruk to discuss the terms of a renewed weekly sugar supply agreement between Svenska Sockerfabriks AB and Stratsys Bageri AB.

We propose the following schedule for your visit:

Time	Activity
10:00 - 12:00	Negotiation of contract terms, with the mill's sales office, at the head office at Roma Bruk
12:00 - 13:00	Lunch, at the mill's guesthouse (Bruksgarden)
from 13:00	Afternoon at your own disposal

The meeting is set for Tuesday, 14 September 1954, beginning at 10:00, at our head office in Roma.

To allow us to prepare a proposal in advance, we kindly ask that you bring documentation of your bakery's current weekly sugar consumption, together with an indication of the contract length (spot, six months, or twelve months) you wish to consider.

Kindly confirm your attendance and your travel arrangements at your earliest convenience. Timetables for the steamer and railway connections to Roma have been enclosed separately for your planning.

P.S. As Svenska Sockerfabriks AB holds a standing arrangement with Gotlands Jarnvag, visitors travelling to or from the mill on the company's business ride the line between Visby and Roma free of charge -- simply present this letter to the conductor in place of a ticket.

Yours faithfully,

Stig Jonsson

Direktor, Svenska Sockerfabriks AB, Roma Bruk
